

Our **Digitalized Gamification Programme** is designed to provide challenging and diverse opportunities to fresh graduates for fast-track career progression to business leadership roles.

The registration link for our Digitalized Portal is now live. We would request you to disseminate this information to your students, who post-registering, will then be provided with the link for the game play, once it goes live.

Please share the post attached using Internal Communication platforms to the graduating batches (Masters & Undergrads.) and encourage students to register.

Link to Register: race2boardroom.com

Also please inform students to keep a look out on our FB Page for further details:
