INTRODUCTION & AGENDA OF SUMMIT

FOR THE FIRST TIME EVER, the first annual HR Tech Summit Asia 2019 is being launched in Lahore by HR Legends Forum and HR Tech Forum to pull the region's largest gathering for HR and Tech.

This amazing summit will offer HR and management professionals a unique opportunity to discuss and understand the complex HR tech offerings available and prepare effective people management strategies. Bringing together 400+ HR and Tech decision makers, Pakistan will host Asia's most prominent speakers, thought leaders, visionaries as well as leading service providers under one roof to witness the convergence of HR and technology.

Providing you with invaluable takeaways, this is your once-a-year opportunity to learn from, and network with, HR innovators and like-minded peers, understand the mega emerging trends/recent shifts in the industry, understand the needs for future of work, and be part of the change in your organisation!

Broadly, the Summit's focus areas will include:

- ✓ Will solutions in the field of artificial intelligence replace traditional recruitment processes?
- ✓ How to manage Learning & Development processes using digital solutions?
- ✓ How to build a dialogue with employees in the digital era to enhance engagement?
- ✓ Are chatbots the future of communication for candidates and employees?
- ✓ How can HR analytics in HR work on Big Data to improve HR productivity?
- ✓ What would be new role of CHRO & CIO?
