

We are in the process of screening candidates for HUBCO's Management Trainee (MT) Program for this year and would like to include students from UET in our pool for evaluation. It would be great if you can share the following link with students **at the earliest** so that they can register for our MT Program:

[Registration for HUBCO's Management Trainee Program 2019](#)

The students should email their resumes at the following ID: [recruitment@hubpower.com](mailto:recruitment@hubpower.com) with the program of interest in the subject line and also mention the institute – e.g. 'MT Program – UET.' Students from all programs/ disciplines can apply. Let me know if you have any queries and I shall be glad to be of assistance. Looking forward to your usual support.
