Subject: Award of Scholarships to the Students from Gwadar

Honorable Sir/Madam,

The subject project was approved by CDWP in July 2017. The main objective was to train and educate the youth of Gwadar for job opportunities to be created under CPEC as per government commitment to involve the local people of Gwadar in its development projects. To accomplish this objective, provision of higher education opportunities will be ensured through award of scholarships to the students from Gwadar enrolled in universities/educational institutions of Punjab, Sindh and KPK. This will provide them an opportunity to have access to higher education and hence will improve their socio-economic conditions on a microeconomic level, resulting in positive effects on macroeconomic development of Gwadar.

In this context, HEC has advertised the subject scholarship program on December 4th, 2022 with last date for submission of application on December 26th, 2022.

HEC is striving to bring in notice of all government Universities/DAIs of Punjab, Sindh & KPK about this Scholarship project for successful dissemination of information. HEC seeks your support to inform the prospect applicants by displaying the attached advertisement at prominent places and notice boards. The prospect students may apply through an online application form: <http://eportal.hec.gov.pk>

Looking forward for your support and assistance in accomplishing of the task.
